Re:- Free grant of bits of land to Saidanibi Gumbuz in Lashkar Mohalla, Mysore

I have the honour to state that the owners of houses Nos 2803-4 and 2805 and also the Muthuvally of the Bhagavan Mosque, Haji F Hassan Khan, represented that the bits of lands adjoining their houses and the Saidanibee Gumbuz may be granted to them to avoid nuisance The Board in their Resolution No 288 dated 14th December 1948 resolved that as per sketch the bits may be sold to the respective house owners at s 2/- per sq yd , to keep open enclosed by neat compound wall, and to grant free of cost the two bits of land measuring 19' x 13' and 13' x 6' adjoining the Gumbuz on condition that the window now in existance on the western side of the Darga (Gumbuz) must be closed in view of the fact that the land to the East of the Darga has been granted free of cost and also with a view to avoid all disputes A clear sketch and also copy of the Board Resolution Nos 288 and 317 dated 14th December and 22nd December 1948 are enclosed for favour of obtaining sanction of Government to the Resolutions of the Trust Board for free grant of the bits to the Gumbuz

2) It is not clear why the resolution to grant the land to the west of the Darga is proposed to be granted to Sri Khasim Sahib merely to straighten the site a portion, and possibly lead to disputes between him and the Darga authorities, later. This point should specifically be mentioned in the resolution does not find a mention in the Covering letter in which the recommendation appears to be to grant both the bits to the Darga

Re - Free grant of [illegible] Sri [illegible] Gumbuz in Land [illegible] Mysore

---

With reference to your letter No. L 10015 dated [illegible] 1939 regarding the grant of pent[illegible] land to Sri Krishnappa and possibly leading to disputes etc, I have the honour to state that this distribution has been made in consultation with all the parties concerned and the same has been inspected by the Members and approved in the meeting. If the land to the West of the Gumbuz is not given to Sri Krishnappa there will be no access to the back-yard marked 'A' and this is very necessary as a sewer line is running in the land and the land has been permitted to be enclosed by a compound wall only to a old people committing nuisance.

Under these circumstances, the sanction of Government to the free grant of land to the Gumbuz may kindly be approved.

A sketch showing the distribution is enclosed.
